For added extent, the price of the text advertising is determined by a multiple of the price per half page. Text advertising is processed by the style (font, page editing) and method of a standard article. The advertiser's requests for placing a graphic on the page can be met only to a limited extent – depending on the capabilities and principles of the column break. The advertiser's logo can be added to the text.

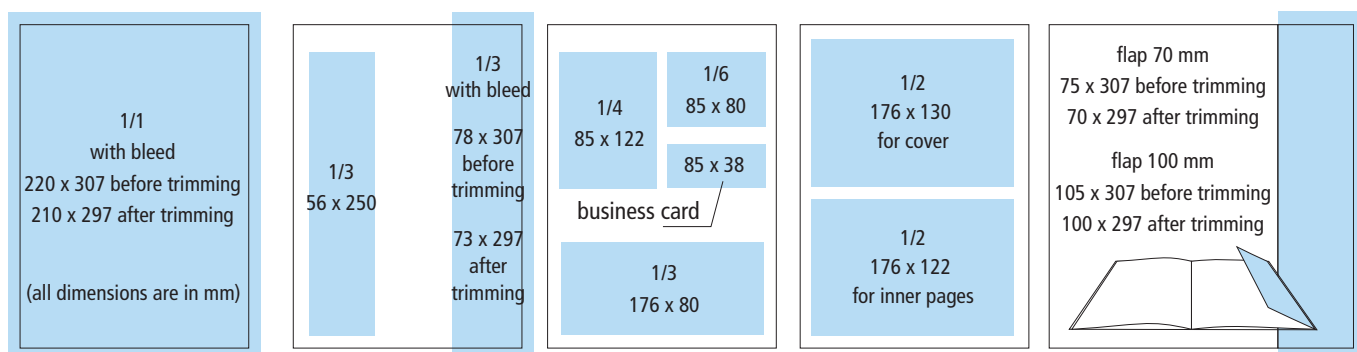

#### Business cards

black and white	1,200	this price holds for publishing a business card three times in a row
full color	3,000	this price holds for publishing a business card three times in a row

•• only after prior consultation, • formats marked in this way only for the mirror (see the following diagram), with the exception of 1/3 of the page in the vertical version. A different solution have to be agreed in advance.

All prices are in CZK and without VAT. Advertising prices (excluding business cards) are understood for one publication of an advertisement or an advertising article. A 25% discount is provided for the fourth publication (the first three publications are invoiced in full price, the fourth is free). The number of publications have to be agreed in advance, the discount does not apply to business card advertising.

**An advertiser – a regular or associated member of SOVAK ČR**, who orders an advertisement from the format of 1/2 page upwards, is entitled to the same size space free of charge for his text presentation in the same issue. **Advertisers – members of SOVAK CR** – can advertise in the form of a full-color business card for the price of black and white.
